**** IF YOU ARE DRIVING WITH A TRAILER... *****

Please note that a number of major roads do not permit trailers of any kind on them. A general rule of thumb is that (with the exception of the Garden State Parkway in NJ) parkways do not permit trailers.

Many of those in the NY metro area that do not permit trailers include:

- Route 15 (Hutchinson River Parkway/Merritt Parkway)
- Saw Mill River Parkway
- Sprain Brook Parkway
- Bronx River Parkway
- Henry Hudson Parkway
- Palisades Parkway
